

Design submission package

Design details			
Address on development consent:		Case number	
Asset stream:	<input type="checkbox"/> Wastewater	<input type="checkbox"/> Potable Water	<input type="checkbox"/> Recycled Water <input type="checkbox"/> Stormwater
Design categories	<input type="checkbox"/> W1 <input type="checkbox"/> S1 <input type="checkbox"/> RW <input type="checkbox"/> LP <input type="checkbox"/> W2 <input type="checkbox"/> S2 <input type="checkbox"/> SW <input type="checkbox"/> W3		
Designer name	Competency level		
Verifier name	Competency level		
WSC certifying officer			

I certify that:

- the Designer and Verifier listed above are accredited by Sydney Water for the nominated category of work
- the design and design checklist have been prepared in accordance with Sydney Water’s standards and requirements, and
- I have the required insurances

Before submitting the Construction Commencement Notice, I will ensure that the following documents are prepared in accordance with the requirements of Sydney Water and all relevant authorities.

- An Environmental Management Plan which addresses the identified environmental impacts associated with the works, including the requirements of all relevant authorities.
- A Project Safety Plan which addresses WorkCover requirements and Sydney Water’s site-specific hazards.
- A Flow Isolation and/or Flow Management Plan that addresses Sydney Water’s Health and Safety Procedure HSP-0070 and operational requirements, if applicable.
