

# Take a seat and take the pledge

I swear to not be a **toilet blocker**.  
To not flush paper towel, tissues, hair,  
or wipes that never break down.  
I will not say 'Just this once' not even once.  
Or 'She'll be right' when I'm flushing wrong.  
Because the cost of a blocked lav,  
can be way more than what I have.  
Blocked toilets stop now, not later.  
I'll only flush **pee, poo and toilet paper**.

**A blocked loo  
is on you.**
